

LIBERAL ARTS, B.L.A.

Juneau, e-Learning

The Bachelor of Liberal Arts degree is designed for UAS students seeking a broad-based, multidisciplinary education. It is designed particularly for those students who have already completed a two-year Associates degree, transfer students from other universities, and non-traditional students who have previously completed university credits.

Students consult with faculty in their areas of interest to pursue interdisciplinary or individualized courses of study. This Liberal Arts degree can lead to graduate school or jobs in which critical thinking and communication skills are valued. BLA graduates who are interested in teaching may also apply to the one-year Master at Arts in Teaching programs at UAS. Program assessment plans and student learning outcomes are posted at the Program Assessment website (<http://www.uas.alaska.edu/provost/assessment/program-assessment1.html>).

Liberal Arts Emphasis Options

In each BLA degree program, students pursue one of the following Emphasis options: Designated Emphasis, Interdisciplinary Studies, or Independent Design. Courses used for GER credit cannot be used to fulfill Liberal Arts Emphasis courses or must be replaced by substitute disciplinary courses of equal credits.

BLA degrees must include:

- 120 credits minimum.
- 60 credits minimum in the Liberal Arts Major (18 credits Liberal Arts Core, 42 credits Liberal Arts Emphasis). Of this total, 45 credits minimum must be completed through UAS.
- 42 credits minimum upper-division.
- No more than 12 credits of independent study, practicum or internship in the Liberal Arts Major.
- 3 credits minimum upper-division capstone course completed through UAS.

Independent Design

This option is designed for highly motivated students who are interested in completing a BLA program that does not fall under any Designated Emphasis or Interdisciplinary Studies option.

Independently designed BLA programs are available only to students who have a tenure-track faculty member who agrees to supervise their degree program. The student and supervisor will work together to design a degree proposal that provides a coherent body of knowledge at the baccalaureate level. The Independent Design must be approved by the supervising faculty member, the supervising faculty member's department chair, and the Dean of Arts and Sciences.

As the program is independently designed, there are no formal limitations on the structure of each student's program beyond the required Liberal Arts Core. However, the Independent Design has rigorous emphasis requirements:

1. 45 total credits for the BLA Liberal Arts Major must be completed while enrolled at UAS.
2. 24 emphasis credits minimum must be upper division.
3. 30 emphasis credits minimum must be completed after the Independent Design program is approved by the Dean of Arts and Sciences.

Any changes to a program in progress must be approved by the supervising faculty member, the supervising faculty member's department chair, and the Dean of Arts and Sciences.
