

# SOCIAL SCIENCE, B.A.

## Juneau, e-Learning for select emphasis

With concentration areas in:

- Anthropology
- Economics
- History
- Political Science
- Psychology
- Sociology

The B.A. degree in Social Science with an emphasis in a social science discipline enables students to engage in advanced course work in at least three social science disciplines as well as experience a rich interdisciplinary focus pursuing their degree. Program assessment plans and student learning outcomes are posted at the Program Assessment website (<https://uas.alaska.edu/provost/assessment/program-assessment1.html>).

## Admission Requirements

After admission to UAS and declaring a social science major, applicants are admitted to the B.A. in Social Science program and assigned a faculty advisor.

Candidates must complete General Education Requirements (GERs) (<http://catalog.uas.alaska.edu/general-education-requirements>) as well as specific program requirements listed below for a minimum of 120 credit hours. Specific requirements for GERs in Social Science are listed below. Students must select one primary and two secondary concentration areas. The degree must include 42 credits of upper-division (300 or above) courses, 24 of which must be completed at UAS.

Students must pass all SSCI and Social Science methods classes and all classes within the Primary and Secondary Concentrations with a C (2.00) or better. The Student Assessment Portfolio (SAP) is required for degree completion. SSCI S200 is taken in the sophomore year with presentation of the completed portfolio in the final semester of the student's senior year. Students must also take one Social Science methods course in addition to any methods course required in their Primary Concentration.
