

OUTDOOR AND ADVENTURE STUDIES MINOR

The minor in outdoor and adventure studies focuses on the practices relating to, and the critical study of, outdoor activities. Students completing the minor will be introduced to skills and standard practices in various outdoor settings and to the study of different cultural conceptions of the relationship between humans and their environments from Alaskan and global/historical perspectives.

Enrollment in the program requires an application and acceptance. Students wishing to participate in the Minor in Outdoor and Adventure Studies can find application information on the program website.
