

# SMALL BUSINESS MANAGEMENT CERTIFICATE

## Juneau, e-Learning

The one-year Small Business Management certificate enables the student to explore business career options and gives entry-level job or upgrade skills for employment advancement. It may also be the first year of training towards the two-year Associate of Applied Science in Business Administration. The Small Business Management curriculum is designed to provide education in business theory and practical applications necessary for owners, managers, and employees of small business firms. Students planning to pursue an Associate degree or Bachelor's degree should consult with an advisor for the business programs.
