

HUMANITIES

Human actions, stories, ideals, thoughts, traditions, and values are the focus of Humanities study at UAS. Our interest areas include Alaska Native Languages and Studies, Art (Northwest Coast Indigenous Arts and Ceramics), Communication, English (Creative Writing, Composition, and Literature), Spanish, Linguistics, Environmental Studies, Outdoor Studies, Philosophy, and Performance Arts. Students in the Humanities engage in transdisciplinary methods of inquiry and creative activity as they analyze, create, evaluate, collaborate, interpret, investigate, and record human activity, culture, and imagination.
