Getting Started

The University of Alaska Southeast (UAS) is a student-centered university that provides instruction in liberal arts, professional, and technical fields. On the homelands of the Tlingit, Haida, and Tsimshian peoples, we serve the coastal environments, cultures, economies, and communities of Alaska, through interdisciplinary education, workforce development, and scholarship, research, and creative activity. Our goal is helping you succeed in achieving your educational and career goals.

Däng k̲ats’áas oehl díi gudanggay ’l̲aagang.

I’m happy you have come/come in. [Haida]

Haa yoo x̱aatängi haa latseenix̱ gux̱satde.

Our language will become our strength. [Tlingit]

#a gwołga laŋk! Laŋgism, laŋgism, #a gwołga laŋk!

The fire is burning, warm yourselves, warm yourselves, the fire is burning! [Tsimshian]

Our campuses reside on the unceded territories of the Áaḵ’w Kwáán, Taant’á Kwáán, and Sheeḵ’á Kwáán on Lingít Aaní, also known as Juneau, Ketchikan, and Sitka, Alaska. We acknowledge that Lingít Peoples have been stewards of the land on which we work and reside since time immemorial, and we are grateful for that stewardship and incredible care. We also recognize that our campuses are adjacent to the ancestral home of the X̱aadas and Ts’msyen and we commit to serving their peoples with equity and care. We recognize the series of unjust actions that attempted to remove them from their land, which includes forced relocations and the burning of villages. We honor the relationships that exist between Lingít, X̱aadas, and Ts’msyen peoples, and their sovereign relationships to their lands, their languages, their ancestors, and future generations. We aspire to work toward healing and liberation, recognizing our paths are intertwined in the complex histories of colonization in Alaska. We acknowledge that we arrived here by listening to the peoples/elders/lessons from the past and these stories carry us as we weave a healthier world for future generations.
