CREDIT BY EXAMINATION

UAS offers and accepts a number of credit-by-exam options. These exams are accepted or offered based upon academic policy and accreditation standards. A maximum of 30 semester credit hours taken through standardized exams will be accepted by UAS toward a bachelor’s degree, 15 semester credit hours will be accepted toward an associate’s degree, and 9 semester credit hours will be accepted toward an undergraduate certificate and 3 credits toward Occupational Endorsement Certificates.

ACT and SAT Placement Scores

Placement for ACT (English + Reading) and SAT (Evidence-Based Reading and Writing): Students may place into Writing classes by submitting ACT or SAT test scores. If students place into WRTG S211 or WRTG S212, WRTG S111 will be waived. Test scores will be evaluated upon admission to UAS. Student’s test results must reflect the following:

<table>
<thead>
<tr>

Placement for current National GED Test: Reasoning Through Language Arts

Students may place into Writing classes by submitting GED scores. Test scores will be evaluated upon admission to UAS.

</tr>
<tr>

<td>175 or higher</td>
</tr>
</tbody>
</table>

Students may also place into WRTG S090 by taking TABE 11 & 12.

DANTES Subject Standardized Tests

Credit for non-traditional education can be earned through the DANTES Subject Standardized Tests program (DSST). Credits will be awarded only if students are admitted to degree and certificate programs and have taken courses at UAS. American Council on Education (ACE) recommendations for minimum test scores will be accepted. Exams may be repeated after an interval of one year. Auditing a course does not preclude obtaining credit for the course by taking the DSST subject standardized test. Credit will not be given for any course for which credit has previously been earned.

Maritime Non-Traditional Credit

UAS students admitted to a degree program may be awarded credit by examination by completing a US Coast Guard approved final exam for the course in which credit is being sought. Mariners may also receive nontraditional credit by submitting a copy of their Merchant Mariner Credential or Training Certificate from a USCG/STCW approved training program. Credits will be graded pass/fail and will not be calculated in the student’s GPA.

Business Non-Traditional Credit

UAS students admitted to a business degree program may be awarded credit for certain faculty approved professional business certifications that they hold. Credits awarded will be graded pass/fail and will not affect the student’s GPA.

Challenging a Course Through UAS

Students admitted to a degree program and currently enrolled at UAS are eligible to challenge a course by examination. The first step is to check with the instructor of the course that an individual would like to challenge, or with the chair of the department under which the course is offered. Final approval to challenge a course comes from the appropriate Academic Dean or Campus Director. Students may not challenge a UAS course that is a prerequisite to another UAS course in which they are currently enrolled or have completed, unless they have both instructor and Chair, Dean or Campus Director permission. A course challenged for credit must not duplicate a course for which credit has already been given. If a student has audited or previously enrolled in a class, he or she may not request credit via departmental examination for the class until the subsequent academic year. Departmental exams will be graded pass/fail and do not carry grade points. Exams may not be repeated earlier than one year from the previous test date. Cost is $50 per semester credit.

International Baccalaureate Diploma

The International Baccalaureate Diploma Program is a two-year curriculum for student aged 16-19 and is similar to the final year of secondary school in Europe. UAS awards credit for IB higher-level exams on which students have earned a score of 4 or better. Students should submit an official record of their IB certificate(s) or diploma for review by UAS.

Credit for Prior Learning (CPL)

Credit for prior learning is the evaluation of experienced based learning for college credit by a UAS faculty member. Experiences relevant to CPL include theoretical and current learning that relates or is equivalent to learning outcomes of a specific UAS course. Students must be in an undergraduate degree program at UAS, with a minimum cumulative gpa of 2.00 when applying for CPL. Students must pay an application fee with the application form. If approved an additional per credit hour cost will be assessed. For additional information contact your academic department.

Advanced Placement Credit through College Entrance Examination Board (CEEB)

The University of Alaska Southeast grants transfer credit of a grade of 3 or higher, or 4 or higher (effective Fall 2021) for French Language, Spanish Language, and Spanish Literature. Students would normally complete this test during their senior year in high school. An individual wanting CEEB advanced
Credit by Examination

Placement credit must request an official report of scores obtained on the exam to be sent to the Office of Admissions. Upon admission, appropriate credit will be awarded. Individuals may receive credit for more than one examination.

**College-Level Examination Program (CLEP)**

The College Level Examination Program (CLEP) provides an opportunity for students admitted to UAS degree programs to test out of coursework in fine arts, humanities, social science, foreign language, English, mathematics, and natural science. ACE (American Council on Education) recommends that a minimum score of “50” must be attained to earn college credit.

Students who take the CLEP College Composition with Essay and score 50 points or higher will receive 3 semester hours of credit for WRTG S111. **NOTE: The CLEP General Exam in College Composition without Essay will be transferred as elective credit only. Students cannot challenge WRTG S211 or WRTG S212.**
