

CAREER SERVICES

The UAS Career Services Office is located in the lower level of the Mourant Building on the Juneau campus. Our Career Services Manager assists students at all three of our campuses with career exploration, resume development, cover letter composition, interview preparation, and job search skills. The office maintains an online job board of current job and internship announcements through the Handshake platform at alaska.joinhandshake.com. Several online career assessments are also available to help students who are undecided about what major or career path to pursue. All of these services are accessible to distance students through personalized email correspondence, phone or Zoom appointments, and resources found on the UAS Career Services website at: uas.alaska.edu/career_services/ (https://uas.alaska.edu/career_services/).
