

STUDENT ENGAGEMENT AND LEADERSHIP

With more than 40 events each year, SE&L is your first stop for getting engaged on campus! From our campus traditions to attending a SAB event, there's something for everyone. Being involved on campus is so much more than planning events; it's the opportunity to gain relevant skills that will help you succeed in the workplace—and the world. And the best part? Your college experience will be unforgettable.

The mission of the Office of Student Engagement & Leadership at the University of Alaska Southeast is to facilitate high-quality, student-centered programs, services, and involvement opportunities that enhance student learning and development, promote community engagement and responsible citizenship, foster leadership and advocacy, and celebrate diversity.

The Juneau, Sitka, and Ketchikan campuses and local communities are rich in opportunities for co-curricular participation. Juneau campus traditions include Campus Kickoff, Winterfest, and Spring Carnival.
